Seaglass Votive Candleholders

Join us on Friday, February 10, when everyone in class will make two seaglass votive candleholders. The cost is \$8.00 per student and the price includes a tube of E6000 glue (you can take it home and use on other projects); seaglass in a variety of sizes and colors; and two, thick, clear, glass, votive candleholders sized 3 ½" x 3 ½" x 3 ½". The glassware is taller and heavier than most votive candleholders and may be used instead as candy dishes and pencil holders. Sample designs are shown above. (Chip mix, large sailboats, palm trees, turtles, and small sailboats.)

RSVP by Wednesday, February 8, by contacting either Sue Ross (resident instructor found under Steve Mulligan in Venetia directory), at 941-492-2150 or crosspass@hotmail.com; or Joan DiFazio (club co-chair) at 941-492-6418 or vjdifazio@comcast.net. Class size is limited to 20 people so sign up soon!
